CORAM : F.I. REBELLO &
R.M.SAVANT, JJ.
DATED : 27th June, 2007

P.C.

. The electric supply which was disconnected was resumed on the petitioner agreeing to pay the arrears. It is the case of the respondents that the petitioner was in default of payment of the first instalment itself. Apart from that instalments which were due from April, 2006 towards arrears have not been paid. Considering the above in our opinion this would not be a fit case for us to exercise our extra ordinary jurisdiction. If, however, the petitioner pays the balance of the arrears it will be open to him to apply to the respondents for reconnection and the respondents to consider the same according to law. With the above observations, petition disposed of. No order as to costs.
